

The Financial Aid section of Finances is maintained by the Offices of Student Financial Services/Assistance at the Brooklyn and LIU Post campuses of Long Island University. In the Financial Aid section, you will be able to see your own financial aid information as well as any To Do List items connected to any pending financial aid application.

The screenshot displays the MY LIU student portal interface. On the left is a navigation menu with categories like Self Service, Enrollment, Campus Finances, and Student Center. The main content area is divided into several sections:

- Academics:** Includes 'Enrollment' with a 'My Class Schedule' link, 'Academic History' with a 'Grades' link, and a 'Fall Term 2008 Schedule' table. The table lists classes such as PH 210-001 LEC (12363) and PH 211-001 LEC (12377) with their respective schedules.
- Finances:** Features a 'My Account' section with an 'Account Inquiry' link, a 'Financial Aid' section with a 'View Financial Aid' link, and an 'Account Summary' box. The summary states: 'You owe 2,558.50', with 'Due Now' at 2,558.50 and 'Future Due' at 0.00. A note indicates a past due balance of 2,558.50.
- Personal Information:** Includes 'Names', 'User Preferences', and 'Contact Information'. The contact information shows a permanent address of 'None' and a home telephone field.
- Admissions:** Contains an 'Apply for Admission' link.
- Right Sidebar:** Includes a 'SEARCH FOR CLASSES' box, 'Holds' (No Holds), 'To Do List' (with a red 'A' icon), 'Useful Links' (LIU Home Page), 'Financial Aid Websites' (Complete a FAFSA, Entrance & Exit Interviews, Sign EMPN), and 'Student Financials' (TAP/HESC, Health Insurance Waiver).

At the bottom of the page, a message box states: 'You do not have any pending applications at this time.'

A To Do List

This section of MY LIU gives you the opportunity to review items that are pending with different offices. The To Do List can include documents needed by the Admissions Office, the Office of Student Financial Services, or other offices on your local campus.

The financial aid related items on your To Do List must be completed before any financial aid can be finalized on your behalf. In fact, when you complete these items, they will disappear from your To Do List!

If you were offered a loan(s), items on the To Do List can also relate to the acceptance of the loans and what needs to be done to actually receive them (Loan Entrance Int. Required), etc.

Else wise the Award Summary page will be shown.

If you have items on your To Do List, this may be the reason you have not been considered for financial aid.

E Award Summary

This view of your financial aid mirrors what you received on your financial aid award notice, and gives you the annual amounts.

At L.I.U., all scholarships and grants from the federal and state governments and from L.I.U. itself are considered to be "Offered" and "Accepted."

All loans are also "Offered" and "Accepted" but will not actually disburse to your account until you take your Loan Entrance Interview and electronically sign your Master Promissory Note. Parent PLUS Loans and Graduate PLUS Loans are only "Offered" until such time as they are formally accepted (entrance interview with master promissory note), and they will move to the "Accepted" column once this is done.

Click on the "Loan Details" link to see the amounts of fees deducted from your gross loan proceeds.
